Summary

Motivated B.Tech Electronics and Communication Engineering student with a solid foundation in technical concepts and a passion for innovation. Possess strong analytical thinking, problem-solving abilities, and a proactive learning mindset. Eager to enhance technical expertise, embrace new technologies, and contribute effectively to organizational goals while building a successful engineering career.

Education

Electronic and Communication Engineering, 2023 – 2027
Malla Reddy College Of Engineering And Technology Hyderabad, Telangana
CGPA : 9.17

Board of Intermediate, *Srujana Junior College* 2021 – 2023
Kurnool,
Andhra Pradesh

Board of Secondary Education, *Montessori E.M High School* 2020 – 2021
Kurnool,
Andhra Pradesh

Skills

Java, Python, DSA, JavaScript, HTML, CSS, C++

Data bases
MYSQL

Tools & Platforms
GitHub, VS code

Core
Digital Electronics, Signal Processing, VLSI

Projects

CARDIO CLEVER: HTML, CSS, JavaScript, Java, MYSQL 10/2025
Cardio Clever is a web based application that helps users understand their heart health.It takes basic lifestye and health details from users and checks the risk of heart disease. Based on the result, it gives simple suggestions like diet, exercise, and stress management tips. The project focuses on improving health awarenessand encouraging early prevention using data-driven insights.

EDU BRIDGE: HTML, CSS, JavaScript, python, Flask, AI/ML Smart India Hackathon 2025 09/2025
EDU BRIDGE is an AI-powered remote classroom platform developed for rural colleges to improve access to quality education. The platform is designed to work on low or unstable internet connections and supports multiple languages. The platform helps students by converting lectures into simple notes and answering doubts using an AI chatbot. The main aim of this project is to make learning easier and more accessible for students with limited resources.

Certifications

- completed python programming -Infosys Springboard
- Completed Cambridge English Empower-C1 Level
- Artificial Intelligence-Infosys Springboard.
- Certified in SQL-Simple Learn
- Participated in Smart India Hackthon-2025.
- Digital 101 Journey-NASSCOM Future Skills
